

The **Madonio Animal Trust** has partnered with Family & Community Services to provide food for the dogs and cats of Portage County residents. The program provides dog and cat food to pet owners already struggling with food insecurity.

If you are a Portage County pet owner who needs food assistance for your pet, please reach out to Family & Community Services at either of the location links above to determine eligibility.

Donations to help support the Doggie Bags program can also be made via the donation link (**top of page**). We also gladly accept donations of dog and cat food at the Center of Hope or Kent Social Services during regular donation hours.

The Madonio Animal Trust is an endowed fund administered by the Portage Foundation, a 501c3 corporation and Portage County's only community foundation.
